

<b>Under 12's Soccer Club: Year 5, 6, and 7</b>

Dear Parents

Soccer matches begin after the half term break. Below is the information regarding fixtures and training from half term until the end of the soccer season in January.

**Training:**

Training will continue on Thursday 3.30-4.30 unless the team has a match. In this case training will be cancelled. All training sessions will finish the week beginning Monday 17<sup>th</sup> December in line with all other school clubs.

When we return to school after the winter break soccer club will not be continued as Rugby clubs will have started, however, the matches outlined below will take place.

The team list for each match will be posted on the PE office notice board. Pupils will need to tick this team sheet to confirm their availability for each game. For away matches pupils will need to make their own way to and from the fixture. Directions to the games will be posted outside the PE office; it is the responsibility of the pupils to collect a map from the notice board.

For matches pupils will need their plain navy blue PE shorts, a pair of navy soccer socks, shin guards and suitable footwear (boots or trainers). Pupils will be provided with jerseys to play in which are to be returned at the end of each match. It is also recommended that pupils ensure they have an adequate supply of water for games.

If you have any other queries about the match procedures please feel free to contact us at the school.

Yours sincerely
